

The New York State Insurance Fund (NYSIF) provides your employer workers' compensation which provides coverage for work-related injuries or illnesses. This plan includes a network of over 67,000 participating pharmacies as an easy and convenient way for you to fill medical prescriptions. If you are prescribed medication for a work-related injury or illness, it must be filled at a pharmacy within the CareComp pharmacy network.

NYSIF also provides a "short-fill" service which enables you to obtain pharmacy benefits, even before your claim has been accepted. Although we are not required to provide this benefit, we want to help you get through the first, difficult days after your work-related injuries or illnesses by offering a limited number of prescription medication benefits that are filled within the CareComp pharmacy network.

The form on the other side of this page "Workers' Compensation Temporary Prescription Services ID" may be used to fill prescriptions at any participating pharmacy. To complete the form, please:

Step 1: Have your employer fill in their **business name** and **policy number**.

Step 2: Complete the rest of the form with your **claim** and **contact information**.

Step 3: Bring the **completed form** and **prescription** to a pharmacy in the CareComp pharmacy network.

Step 4: Within 10 days of the confirmed accident, you will receive a **packet from CVS Caremark**. This packet will contain a **permanent identification card** that should be used when filling prescriptions for the work-related injury or illness.

You can find local participating pharmacies by visiting www.wcrxpharmacylocator.com or by calling the 24-hour patient care hotline at **(866) 493-1640**.

If you have any questions or need any assistance, please visit www.nysif.com/networkbenefits or contact NYSIF at (888) 875-5790.
