

SPONSORSHIP OPPORTUNITIES & DONATION INFORMATION

Over the past quarter-century Gold Coast Arts has provided exceptional artistic and educational experiences for people of all ages, backgrounds and abilities from throughout Nassau, Suffolk, Queens – and beyond! We didn't do it alone and we deeply appreciate your loyal support, participation and love of all that we do.

In these challenging times, like so many, Gold Coast Arts was profoundly impacted by this public health crisis. We persevered and found new, innovative ways to provide visual and performing arts classes and workshops; film screenings; filmmaker, author and artist Q&As; concerts and so much more to thousands of people each month – just like we have been doing for the past 25 years - only now virtually so that students and audiences can continue to learn and enjoy from the safety of their homes. But we need your help now, more than ever.

Please join us as we celebrate 25 years and get a glimpse into the great work that we continue to do each day of the year.

It's free to watch but we'd love it if you'd support us!
