Dear Friends,

As I reflect on the extraordinary journey we have shared over the last 25+ years, I must confess that the year 2020 was arguably the most difficult year we've ever faced. After surviving the pandemic, we are proud and happy to welcome you back to live classes, programs and our upcoming 2021 Gold Coast International Film Festival!

Our School for the Arts is here for you, as is the Art Gallery, featuring great works of art and is presented free to the public. The current exhibit, Destination Downtown, is a community revitalization effort consisting of over 70 artists displaying their artwork within the gallery as well as in local storefronts around Great Neck.

We are grateful for the support and dedication of our brilliant Board of Directors, talented administrative staff, selfless volunteers, generous sponsors, and loving donations and support from the community. We hope you will continue to support us as we continue to navigate uncertain waters.

It is my core belief that the Arts are for everyone and that they inspire, enrich, illuminate and comfort us at any age and throughout our lives. It is my hope that future generations will continue to realize the importance of the Arts and help us and others like us to make them available to everyone.

Sincerely,
