## Live in concert to benefit the **Gold Coast Arts Center!**

Your name and support of ***The Gold Coast Arts Center*** will be front and center at Tom Chapin & The Chapin Sisters Concert being held on June 22, 2023, at the Jeanne Rimsky Theatre at Landmark on Main in Port Washington NY. Here's what makes this opportunity so special:

The *Gold Coast Arts Center* is the premier not-for-profit arts organization in our region attracting audiences and students from throughout Long Island (Nassau and Suffolk), Queens and the tri-state area. Our organization relies heavily on community support to bring our services to the public at affordable prices. Admissions and class registrations never cover the full cost of presentation.

Sponsorship of outstanding productions such as Tom Chapin & The Chapin Sisters Concert helps YOU by increasing your visibility to our engaged audiences and helps to ensure that the quality arts programming that we produce all year-round continues to thrive in our region!
